# PLUS QU'UNE COURSE, UNE VÉRITABLE RENAISSANCE

Le retour des 10, 20 km et marathon de Tours était attendu, il n'a pas déçu. Une édition 2021 placée sous le signe des retrouvailles qui a ravi les coureurs comme les bénévoles.

**L**es sourires des coureurs sur la ligne de départ, mais aussi ceux des bénévoles et des partenaires, en disaient long, dimanche, sur la joie de revoir les 10, 20 km et marathon de Tours. Ce rendez-vous sportif, qui avait été remplacé par une course connectée en 2020, a été une réussite et son organisation a été vécue comme un soulagement par les très nombreuses personnes venues participer ou assister aux courses.

Christophe Chinette, président du comité d'organisation, était, lui aussi, aux anges, ravi d'être parvenu, avec l'aide précieuse de 850 bénévoles, à programmer cette belle fête, qui aura vu plus de 7.000 coureurs se retrouver sous la grisaille pour arpenter, ensemble, les rues tourangelles.

« Le pari de cette année, c'était de réussir à organiser cet événement, rappelle-t-il. C'était beaucoup plus compliqué à organiser que les autres années, on a dû s'adapter, jusqu'au jour de la course, mais le résultat était là. Je crois qu'on a redonné le goût de la vie à beaucoup de personnes. On a remis de l'ambiance dans cette société qui en a bien besoin. Les gens ont

partagé à nouveau des choses ensemble, des sourires. Cet événement, c'est une renaissance. »

Cette manifestation sportive a apporté un air de fraîcheur dans la ville de Tours, un temps fort qui rappelle l'avant-pandémie, mais qui ne s'est pas contenté de ressembler à l'édition de 2019. Les nouveautés ont aussi été au rendez-vous, avec, entre autres, l'organisation du premier 10 km marche nordique, qui a rassemblé près de 350 sportifs.

« Les gens ont partagé  
à nouveau  
des choses ensemble. »

Au-delà des résultats marquants de dimanche, qui ont vu s'imposer sur le marathon l'Éthiopien Tura Kumbi Bechere (en 2 h 27'54) chez les hommes, et Sophie Le Béhérec (en 3 h 03'30") chez les femmes,

le président du comité d'organisation salue également les performances et l'engagement des nombreux athlètes handisport, sur les différentes distances proposées, et des coureurs portant les joëlettes : « On a encore vu de très belles images du sport cette année, c'est génial. »

Cette édition 2021, qui a permis de soutenir financièrement l'association Les Blouses Roses (venant en aide aux enfants hospitalisés et aux personnes âgées seules dans les Ehpad), a bien marqué le retour des grands événements à Tours.

Désormais, l'organisation met le cap sur l'édition 2022, avec les 40 ans des 20 km de Tours en ligne de mire. Elle souhaite désormais travailler sur le retour de la course des jeunes, qui n'a pas eu lieu cette année, et attend avec impatience un nombre encore plus important de coureurs, dès l'an prochain sur la ligne de départ. La machine est relancée. ■

## A group of runners is participating in a marathon on a cobblestone street. In the foreground, a man in a blue t-shirt and black shorts is running towards the camera. To his right, a volunteer in a black t-shirt with the text "Comité Val de Loire" and "HEUREUX d'ÊTRE BENEVOLE!" is handing a water bottle to a runner. Other runners in various colored shirts are visible in the background. The street is lined with a white fence and a large stone building with a prominent arched entrance. The sky is overcast.

A low-angle, close-up shot of several runners' legs and feet as they compete in a race on a paved road. The runners are wearing various athletic shoes, including white, yellow, and orange ones. The background is slightly blurred, showing other participants and spectators in the distance. A semi-transparent grey box with white text is overlaid on the upper left portion of the image. The SKF logo is positioned in the bottom right corner, set against a blue background element.

**Esprit d'équipe, dépassement de soi...**

Merci à nos coureurs d'avoir si bien illustré ces valeurs, chères au Groupe SKF.
